## Park and Shore (Jersey City, New Jersey)

November 9, 2017

Find inspiration for your next work project by gazing at the Hudson River from this Jersey City complex. The property will feature [two buildings](#): 75 Park Lane, a 358-residence tower, and Shore House, a 71-unit industrial boutique setup. Most of the complex's amenities will be housed in Park Lane, including an 82-foot pool, a teak-lined spa, and fully integrated coworking spaces with conference areas and state-of-the-art video-conference equipment. Prices for the one- to three-bedroom units range from \$640,000 to \$2.2 million. The first closings are slated for late next year.
